

Snow shovel or sand wedge?

In a game filled with tough decisions, this isn't one of them.

That's because you'll find The Rocks, a magnificent new private residence club in North Scottsdale, Arizona—where you don't have to shoot in the 60s to enjoy wintertime highs in the 70s.

Of course, gorgeous weather is only the beginning. The Rocks offers the sensible alternative to a second home—without the hassles. Resort-style hospitality services by Troon Golf® ensure that

you'll indulge in every vacation whim—without lifting a finger. Tranquil desert surroundings allow you to relax in comfort or entertain in style in your luxury villa, while the clubhouse features an array of outstanding amenities, from a members' grill and lounge to a state-of-the-art fitness center and spa. In addition to providing privileged access to more than 10 nearby Troon Golf-managed courses and every daily-fee Troon

course around the world, The Rocks is centrally located in the town touted by the *Robb Report* as "The Best Place to Live for Golf."

You definitely won't need a snow shovel...and with any luck, the sand wedge stays in your bag, too. **For more information, call 877.668.6068.**
